

ivTools - Feature #25

Be more tolerant with AVI format

2011-12-05 10:47 - Jens Peter Lindemann

Status:	New	Start date:	2011-12-05
Priority:	Normal	Due date:	
Assignee:	Jens Peter Lindemann	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Change AVI reader to a standard library supporting the AVI format more generally. (Currently only certain non-audio uncompressed grayscale streams are supported).
