Cognitive Interaction Toolkit - Bug #263

Dependency between libcca-oncilla and liboncilla not generated

2014-06-01 19:37 - Arne Nordmann

Status:	Closed		Start date:	2014-06-01
Priority:	Urgent		Due date:

Target version:			Spent time:	0.00 hour

Description
According to Sebastian, the dependency between libcca-oncilla and liboncilla is still not handled correctly. This leads to libcca-oncilla nt being downstream of liboncilla in the generated buildflow and therefore failing during first build.

@Johannes: didn't we successfully try this?

#2 - 2014-06-01 21:23 - Johannes Wienke

I think we committed the required fix. Maybe a pull is missing?

#3 - 2014-06-01 21:48 - Johannes Wienke

The commit is commit:projects|60f437f7879c0de2f4474e70397822cb2454f155
