Cognitive Interaction Toolkit - Feature #337

status output from buildgen

2014-11-21 20:58 - Simon Schulz

Status:	Rejected	**Start date:**	2014-11-21
Priority:	Immediate	**Due date:**	
Assignee:	Jan Moringen	**% Done:**	0%
Category:	build-generator	**Estimated time:**	0.00 hour
Target version:	Toolkit 0.3	**Spent time:**	0.00 hour

Description

please add status outputs to the build generator/job configurator.
While trying to replicate a system at home (slow DSL connection) i can wait >30minutes wihtout any output messages.

It would be really nice to have some outputs to see what is actually going on. E.g. pulling git xy, preparing project x (i out of n) etc
