

Finite State Machine Based Testing - Feature #410

Add comment field to tests

2015-03-27 12:29 - Christian Mertes

Target version:		Spent time:	0.00 hour
Description It would be nice to have an optional comment field that is output when a particular test fails alongside the usual messages. This would enable the developer to add some more specific and therefore potentially more meaningful error messages as to what it means that a particular test failed.
