

IPAACA - Bug #496

RSB calls should never block

2017-01-26 15:17 - Hendrik Buschmeier

Status:	New	Start date:	2017-01-26
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Calling a non-existent remote Server, e.g., results in the process blocking indefinitely.
